FAIR BOARD MEETING MINUTES

CALL TO ORDER

Board Chair Gregg Sherrill opened the meeting at 8:31 AM.

ROLL CALL

Gregg Sherrill, Terry Sellars, Jeanne Pickens, Norma Baugh, Brian Bryson (Z), Margaret McCadden (Z), Chad Olney, Amy King, Kirk Sipes, Sarah Kellom, Dave Henslee

Staff Present: Derrick Rowley

Fair Board Secretary: Dawn McLing

Guests: Traci Reed

CONSENT AGENDA

Terry Sellars moved to adopt the Consent Agenda as presented. Amy King seconded the motion. No further discussion was held. Motion passed.

ADOPTION OF AGENDA

Jeanne Pickens moved to adopt the Agenda and Terry Sellars seconded the motion. No further discussion was held. Motion passed.

Traci Reed provided the Board an update for the numbers of exhibitors for Fair. There is also a new upper respiratory virus traveling through the pig population. This has had an adverse effect on some of the 4-H projects.

NEW BUSINESS AND INFORMATIONAL ITEMS

Carroll Unruh attended the meeting via Zoom Call to discuss the alcohol management for events held on the grounds. The Board was provided a copy of the Draft Contract with Oregon Beverage Services.

Areas discussed and clarified. Impact to the local vendor. There is no anticipation of alienation to local vendors. All Oregon Beverage Service would be doing is to make sure that all licenses and insurance are in place for the events for renters.

Pricing structure is being discussed. This contract is proposed to begin in July of 2024.

KLAMATH COUNTY FAIR BOARD

3531 South Sixth Street, Klamath Falls, Oregon 97603

The question was asked as to what involvement do the Commissioner's need to have? How will this impact the county? It was explained that this is a Revenue Contract/Specialty – Oregon Beverage Services is paying the Fairgrounds. What about the Counties Liability? The Commissioners may need to weigh in with regard to the shared liability. It was explained that Oregon Beverage would be responsible for the liability. Perhaps have the attorneys review this contract.

Benefit for the Basin event. The question was asked as to how the B4B's Mission Statement aligns with the Klamath County Event Center? What is given back to the Event Center with regard to this sponsorship/Mission Statement. What does the Event Center give to B4B - what is the cost to host this event at the Klamath County Event Center? Is there a revenue loss to the Event Center? Discussion followed. The decision for charging this event should be a Fair Board decision – across the board.

The Fair Fundraiser is in motion. The entertainer has been hired and the date is set for February 14, 2025.

MANAGER'S REPORT AND BOARD DISCUSSION

A. Manager's Report

i. RV Park Completion

The gate is now operational and can be utilized for ingress and egress. Temporary gate codes are being provided to renters. This will be autogenerated once the Camp Life software is in place. In order to get the Camp Life software in place, we need to add the Terms & Conditions to the software.

The contract has been extended to add the Crest Street widening. Public Works will pay for this portion of the project.

ii. The Food Court project has started. The hope is that this will be substantially complete by Fair.

iii. The tree stumps still need to be grinded out so that we can utilize this area for overflow parking. We will rent equipment to grind the stumps out. We will leave the area in grass.

iv. Spencer Crawford has terminated his employment with the Fairgrounds. We have two Elwood Employees who are in a working interview process to determine which one fits the job. There may be one more employee terminating as of December, 2024.

v. Rick Vaughn has also been contacted with regard to parking on the north side of Kiger Stadium for overflow parking. Dawn is also looking into the Shaw Property across the street.

vi. The above alcohol proposal discussion has been presented to the Board as a way to simplify the process that folks go through for facility rentals when alcohol is/may be present.

Dear Klamath County Fairboard members,

In about 1990, Lee Stilwell and Marty Chin started the Klamath Jackpot Steer and Heifer Show to give our community's 4-H and FFA beef exhibitors an opportunity to show their project animals in a fun, relaxed environment, in preparation for the county fair. This event has grown and evolved over the years but has always been held at the Klamath County Fairgrounds. It is 100% volunteer run and is entirely funded by small individual contributions, mostly from our currently struggling agricultural community. The goal of the jackpot is to return as much of the funding, as possible, to the youth exhibitors in the form of cash and prizes.

While attending and volunteering at this year's event, two issues of concern came up and I would appreciate these being addressed.

First, the lack cleaning of the public areas of the Stilwell Arena were blatantly obvious and impossible to overlook. All the bleachers had a thick coating of dust. It was embarrassing to see the parents, grandparents, and supporters of our exhibitors have to sit on and have their young children on these surfaces. Also, when I arrived early Sunday morning, I witnessed Darren being assisted by Brad and Melissa Sanders to set up those bleachers. Shouldn't this have been handled when the younger employees were there? The concrete was also very dirty, and Darren was picking up random pieces of food that were strewn about. Perhaps a more concerning issue is a green stain in at least one of the toilet bowls. This was not a stain caused by toilet cleaner but appeared to be algae growth. How many months of neglect does it take for a toilet bowl to grow algae? I am concerned that the employees of our fairgrounds are not taking pride in the facility, as they once did, and would like to see the leadership promote that pride, again. I am glad that John was out of town and not here to witness the condition of the building that bears his name.

The other issue that concerns me is the rising costs of using the facilities. It seems that the event is paying more and receiving less than in all the past years. I have heard from other event organizers that the prices are becoming prohibitive and may cause the elimination of some events. I firmly

wood retail has been replaced almost entirely by a few big box stores and other retailers. A growing majority of the population is now in the 55-64 age range and are more likely to have a college degree and live in the suburbs. The median age is 40.01 and the unemployment rate is 10.1%. The population is mostly struggling financially and is not able to afford the high cost of living in the area. The population is mostly white and is mostly male. blowflies do come in and to reduce the risk of disease transmission, the number of flies should be reduced to a minimum.

There is a lot of talk about the importance of the environment, but it is often just a slogan. The environment is not just a collection of trees and animals, it is a complex system that we are all part of. We need to understand the science of the environment and how it works, and then we can make decisions about how to protect it. This is not just a scientific issue, it is a moral one. We have a responsibility to the planet and to future generations to take care of the environment. We need to stop polluting, we need to stop cutting down forests, and we need to stop wasting resources. We need to live in a way that is sustainable and that respects the environment. This is the only way to ensure a better future for all of us.

As a result, I have been able to work on a number of projects that I have been passionate about for a long time. I have been able to work on projects that have been challenging and rewarding, and I have been able to work on projects that have been meaningful and impactful. I have been able to work on projects that have been innovative and creative, and I have been able to work on projects that have been successful and profitable. I have been able to work on projects that have been fun and enjoyable, and I have been able to work on projects that have been inspiring and motivating. believe that the citizens of our community intended this amazing facility to be used for the betterment of the community, and the promotion of our youth and agricultural programs. I am now wondering if the Fairboard shares that goal.

I am appealing for a bit more common sense to be applied to the rate structure. Our community is not Bend/Redmond or Central Point/Medford, and our local events should not be burdened with these, set in stone, facility rental rates.

Sincerely,
